

PRISMHR HIRING

Solve Client Recruiting Challenges

PrismHR Hiring is easy-to-use, online recruiting software that will transform the way your clients find and hire talent.

Providing a recruiting solution to your clients solves their number one business challenge. Plus, our unparalleled recruiting platform provides you with a topline revenue stream, increases your client retention, and helps you stay competitive.

Make our recruiting solution yours!

HELP YOUR CLIENTS:

ATTRACT TALENT

Showcase their brand and create a positive candidate experience.

AUTOMATE HIRING

Save time and resources with the power of recruiting technology.

COLLABORATE WITH THE TEAM

Easily manage the hiring process across the entire hiring team.

LAUNCH YOUR NEW SOLUTION—FAST

The QuickStart program enables you to roll out applicant tracking to all of your clients instantly. This easy-to-implement pricing solution puts plan management in the hands of your clients. Jobs are treated as “parking spots” in this model, with tiered plans based on the number of concurrently active jobs.

SELF-SERVE PLANS

Client self-managed plans provide flexibility to align with hiring needs.

COMPETITIVE & SCALABLE PRICING

Offers a large selection of plan tiers, plus per job fees decrease as client size increases.

SIMPLIFIED SUPPORT & BILLING

Full end-user support is provided and monthly billing reports to make billing your clients a cinch.
