Modern Software to Simplify Recruiting

ATS NAME is an easy-to-use, integrated online recruitment software that will transform the way your organization finds your next team member. Ditch the spreadsheets and move into the cloud with a modern applicant tracking system that will transform how you recruit.

Our online applicant tracking system enables you to post jobs online, manage applicants, and hire top talent. Plus, you're backed by premium support to make your recruiting experience as seamless as possible.

SOURCE
Post to a wide variety of free and paid job boards directly from your account in just a few clicks to maximize your applicant flow.

ENGAGE
Increase speed to hire with automated and collaborative tools for evaluating and communicating with your candidates.

HIRE
Streamline the new hire process for the candidate and the hiring team with integrated automation tools when you're ready to make the offer.

> **The platform is very easy to learn and use. Easy to rate candidates, review resumes and process for hiring.**
