

Guided Setup & Implementation Accelerates Your Hiring

We offer several packages to help you take full advantage of the many features offered in PrismHR Hiring so you can maximize your team's recruiting effectiveness. Our Implementation Specialists provide a unique, hands-on approach to help you learn how to set up and navigate your ATS platform.

STANDARD IMPLEMENTATION

\$855

Ideal for employers with up to 500 employees, this package includes:

- 30-Minute discovery call
- 90-Minute guided walkthrough with an Implementation Specialist
- New user task list & supporting documentation
- Recording of training sessions
- Resources and collateral to get you up and running quickly
- Post go-live consultation (30 minutes, 30-day check-in)

[Sign up for a Standard Implementation here.](#)

CUSTOM TRAINING

\$199

Ideal for established users of the system who want a deep dive on some features or for new managers in the organization, this package includes:

- Custom 60-minute training for requested features and workflows
- New user orientation and walkthrough
